

Three significant Quebec Artists :... dont Serge Gosselin de l'AIBAQ

La «Art Mode Gallery Calgary», dans sa lettre de juin, honore trois artistes peintres du Québec qu'elle qualifie de remarquables : Raymond Caouette, Serge Gosselin et Robert Roy.

« Serge Gosselin

A narrative landscape artist from Quebec's Eastern Townships, Gosselin's work has a whimsical quality and a sense of nostalgia. With a focus on colour and light he captures the essence of each scene he creates, whether it is children at play, a rolling countryside, or a garden path. A vibrant and talented artist!
